Well here we go again.

I was secretly hoping that someone would pick this up in the meantime but Figures. So the deal is that this series has recently concluded in Japan and Gintami thinks he can finish translating this after all. I'm on board again as well cause unfinished businesses are uncool (read OGD) but in order for me to survive this, the editing will be kept at a minimum, I hope you like vertical texts (seriously, Fuck Moko).

In memory of best girl, here is something for y'all. <https://youtu.be/pRF6FLsFkfo>

For just ¥2,200 she can all be yours (<http://bit.ly/1I2nUhi>).
